

Inspired by the light and winds of the Aegean, our wine list reflects a subtle Cycladic identity, showcasing vineyards from around the world. Spanning both renowned and emerging wine regions, each label is selected with precision — to reflect its origin, to awaken curiosity, and to harmoniously complement the nuances of our cuisine, enhancing the refined simplicity of the Nos Restaurant experience.

Guests are invited to further explore our collection in our visitable cellar, where the story of each wine continues beyond the table.
